- If you are stuck at home and need some conversation [call us](#), we would love to talk to you!
- If you need prayer, click [HERE](#)
- During this time of uncertainty, it is our heart to meet the emotional and spiritual needs of our people. If you would like to speak to one of our on call counselors, please submit your request [HERE](#) with the subject line “counseling”.

To Volunteer

- If you have a desire to help pickup and deliver groceries for people that are vulnerable, at risk or frightened please email: outreach@visitgracechurch.com
- Here is a great activity to do as a family to be outward focused together! There have been a **few nursing homes and assisted living facilities** that have reached out who could use something to brighten their day. Kids AND adults alike can **write an encouraging letter or draw a picture** then take a picture of it or scan it and email it to

kclark@visitgracechurch.com. We will put all of them together and email them to different homes we have been in contact with to have them share with their residents!
